

Enterprise Level Gigabit Routing Gateway

OVERVIEW

The NODEXON NX-WC200C Multi-WAN Port Gigabit Commercial AC Gateway is designed for reliable and efficient network connectivity in business environments. It offers high-speed Gigabit networking, intelligent traffic management, and stable performance for offices, schools, hotels, and other demanding applications.

Featuring multi-WAN support, load balancing, VPN, advanced routing, and flexible network management, the NX-WC200C provides smooth connectivity and greater control over network operations.

FEATURES & BENEFITS

- Enterprise gateway with built-in routing & AC controller (CAPWAP-based)
- Manages 256APs (256-device capacity)
- Cloud-ready authentication gateway (supports SMS/user auth)
- 1x1Gbps WAN port + 3x1GbEWAN/LAN ports + 1x1Gbps LAN port xUSB port + 1xConsole port
- Supports multi-WAN configuration, link aggregation, load balancing, intelligent traffic control, online behavior management, VPN, and remote access control management

HARDWARE SPECIFICATIONS

MODEL	NX-WC200C
Product type	1U standard rack
Serial port	1x Console serial port, RJ45 interface
USB	1 x USB3.0 port
Interface	WAN: 1 × 1GbE RJ45 port WAN/LAN: 3 x 1GbE RJ45 ports LAN: 1 x 1GbE RJ45 port
Network Indicator light	The RJ-45 interface Tab notch is on the top, with built-in network indicator light Link/Act LED on the left: lights up green when connected, flashes green when communicating Speed LED on the right: green light at 1000M, off at 100M
Button	1xReset button
Power supply type	Built-in open-frame power supply
Power Interface	1 x AC power interface, with a pin
Dimension	440mm x 220mm x 44.0mm (L x W x H)
Chassis Flixing Buckle	1U rack fixing ears
Working Enviroment	Working temperature: -10°C to 50°C Storage temperature: -20°C to 70°C Humidity: 5% to 95% (no condensation)

ORDER INFORMATION

PART NUMBER	DESCRIPTION
NX-WC200C	NODEXON Enterprise Level Gigabit Routing Gateway

Note:

**Unless TAA compliance is explicitly requested and confirmed per line item prior to order processing, standard commercial (non-TAA) equivalents or general inventory items may be supplied.*
